AIB International to host BRC Train the Trainer course in June

Manhattan, Kansas – AIB International will host the BRC (British Retail Consortium) Global Standard for Food Safety Issue 7 Train the Trainer course from June 1-3 at their newly renovated Manhattan, KS headquarters.

As the request for BRC Certification continues to grow, AIB welcomes the opportunity to host this event to expand the pool of BRC approved training providers (ATPs) around the world.

“AIB is glad for the opportunity to host BRC’s train the trainer program. Several of our experienced food safety professionals from US and Mexico will be joining other food industry professionals for this course. This is an excellent opportunity for our staff to expand the channels in which they can support our valued clients worldwide”, said Stephanie Lopez, Vice President, Food Safety Services, Americas, AIB International.

About BRC Global Standards
BRC Global Standards for food manufacture, packaging, and storage and distribution are generated with the help of technical specialists, retailers, manufacturers and certification bodies from around the world. The BRC Global Standards certification scheme offers comprehensive support to help new and established businesses to achieve and maintain their quality and safe aims.

About AIB International
AIB International empowers clients worldwide to elevate their food safety and production process capabilities by developing and delivering application-oriented learning, consulting, and value-added services.
