Docebo Learn System Requirements

This page outlines the browser and system requirements, as well as some limitations of your Docebo Learning Management System.

DESKTOP PLATFORM

Supported Desktop Browsers	- Microsoft Edge * - Mozilla Firefox * - Google Chrome * - Safari *
Supported Operating Systems	- Microsoft Windows 8 (or higher)** - OSX (last two major releases) - Most Linux Distributions
Supported Operating Systems for Tablets (using the browser version of the desktop platform)	- iOS 13 (or higher) *** - Android 9.0 (or higher) ***
Browser Settings	- JavaScript must be enabled - Third-party cookies must be enabled**** - localStorage must be enabled - TLS Version: 1.2

* Browser notes:

Microsoft Edge, Firefox, Chrome, and Safari follow a continuous release policy that makes it difficult to fix a minimum version. For this reason, following the market recommendation, we will support the last 2 major versions of each of these browsers. Please note that

- as of January 2018, we do not support Safari on Windows
- as of November 2022, we're not actively testing Firefox but we still offer support for it
